Dear Sir:

The above-identified patent application and co-pending USSN 09/321,390 are commonly owned by International Fuel Cells, LLC (now UTC Fuel Cells, LLC, by change of name). The assignments relating to the respective applications are recorded in the USPTO Assignment Division, Reel 010035/ Frame 0955, and Reel 010001/Frame 0536, respectively. The owner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of any patent granted on co-pending patent application USSN 09/321,390. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on co-pending patent application USSN 09/321,390 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the owner and its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of any patent issuing from the aforesaid co-pending patent application, as presently shortened by any terminal disclaimer, in the event that such patent later: expires for failure to pay a maintenance fee; is held unenforceable; is found invalid by a court of competent jurisdiction; is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321; has all claims canceled by a re-examination certificate; is reissued; or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I (We) hereby declare that all statement made herein of my (our) own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statement may jeopardize the validity of the application or any patent issued thereon.
